

The book cover features a marbled paper background with a green and tan swirling pattern. A series of concentric, slightly offset rectangular frames in a light tan color are arranged in a sunburst pattern, radiating from the bottom center towards the top. In the center of these frames is a white rectangular label with a thin black border. On this label, the text "'53" is printed in a large, bold, green serif font.

The Chieftain

When the fire of your life is an ember
And the days of your youth have fled,
You will never forget to remember
As long as this book can be read
We have put here the wonderful story
In writing, in picture, and in song
All the things that brought us glory.
Events that went right and went wrong.
Your schoolmates will live on these pages
Through whatever they have written or done.
You will treasure laughs and rages,
In this book of school day fun.
